

EXHIBITION PROSPECTUS

May, 2017

Revision December 26, 2017

The Industry Applications Society of the Institute of Electrical Engineers of Japan is pleased to announce that the 2018 International Power Electronics Conference -ECCE Asia- (IPEC-Niigata 2018 –ECCE Asia-) will meet May 20th through 24th, 2018 at Toki Messe International Convention Center Niigata, Japan.

IPEC aims to provide an international forum for research and discussion on the latest research findings in the field of power electronics, and by so doing widely contributes to the further development of the field.

Since its inauguration in 1983, the conference has been held for 6 times; in 1990, 1995, 2000, 2005 2010 and 2014; making IPEC-Niigata 2018 the 8th holding with 800 participants from around the world anticipated.

Taking this opportunity, we would like to welcome corporations and organizations that make profound dedication to the development in power electronics, motor drives, motion control and related subjects to share an glimpse of their work at the Conference in a form of booth exhibition.

We sincerely hope to have your participation and cooperation in convening IPEC-Niigata 2018 coming May.
